

NFAC 2412-80

1 April 1980

MEMORANDUM FOR: Director, National Foreign Assessment Center

FROM:

Executive Officer, OSR

STAT

SUBJECT: OSR Comments on NFAC Memorandum of 12 March 1980
to NFIB on Interagency Intelligence Production

OSR has no problems with the subject memorandum. One of our
division chiefs, however, offered the following suggestion:

Change sentence two in 1.b. to read, "It can stem from a
request by policymakers or can result from an initiation by the
Intelligence Community."

STAT

OIA and OSWR called today with "no
comments" on your NFIB action -
interagency intelligence production! OK?
